

E-Type is a great qualification if you struggle with constant mistakes whilst typing, use just two fingers whilst typing or just want to whizz through your workload. With the extra speed that touch-typing provides, you'll be able to save time and have faster results.

Study

You will attend 2 tutor led days before sitting your final exam. We will also provide you with access to an online learning environment where you can practise between sessions to build up speed and accuracy.

Every learner will have access to a personal tutor for support as well as comprehensive learning materials.

The Grades

There are 3 grades which can be achieved:

- **Bronze:** 20 words per minute at 98% accuracy
- **Silver:** 40 words per minute at 98% accuracy
- **Gold:** 60 words per minute with 98% accuracy

Costs

- **Unit - £175 + VAT (inc. of test fee)**
- Re-sits - £30 per unit

Tests can be paid upfront or as you undertake them (Testing will be invigilated at our training centre)

The Benefits

There are many benefits to this skill including:

- **No longer looking down at your fingers whilst typing**
- No more frustrating typing errors to slow you down
- **A much faster and more productive use of the computer, whether at work or at home**
- Better posture and reduced levels of stress
- **Gaining a qualification to enhance your career and job prospects**
